

Volunteer Discippler Agreement

Campus Crusade for Christ
NJ Metro Ministry

I desire to serve as a volunteer discipler with Campus Crusade for Christ. Therefore, seeking to act as an ambassador for Jesus Christ and for Campus Crusade as an organization, I affirm the following:

- I agree with Campus Crusade's statement of faith (attached). *Please indicate your agreement by initialing next to each item on the statement of faith.*
- I have read through the "Primer on Discipleship" article and agree to use its model of discipleship.
- I commit to meeting with the student(s) I am discipling at least twice per month.
- I commit to using The Compass (Campus Crusade's discipleship material) as my primary content for discipleship.
- I commit to pursuing growth in my personal walk with God and active involvement in my local church.
- When sharing the gospel as part of this discipleship arrangement, I will use Campus Crusade's evangelistic methods and materials. *(In doing so, you will help to keep the evangelism experience consistent with the training students are receiving in other ministry settings.)*
- I agree to maintain a high level of confidentiality in regard to things that I am told by the student(s) I am discipling.
- I commit to working in cooperation with Campus Crusade staff members, who hold the primary responsibility for the coaching of the student movement as a whole. In my discipleship relationship(s) I will strive to build up the student movement on campus and the Jersey Metro network of ministries.
