

What do you guys do?

At each school we'll look a little different, but every Cru movement will have stuff to offer both on and off campus. On campus you'll generally find Bible Studies, outreaches, prayer, and social activities. And throughout the year you'll have access to retreats and conferences (ranging from a few dozen students to over a thousand) with great teaching and high-energy praise and worship. During the summer we offer short-term ministry opportunities both stateside and overseas.

How do I find Cru at my school?

Go to **www.campuscrusadeforchrist.com**. From that site you can connect with a leader from your campus or with someone who can help you get a group started.

Also, visit www.LiveAbove.com to search for your college to find all the campus ministries at that school (not just CCC) and their contact information.

How do I get involved?

If you're going to college, you can email us at **CampusInfo@cru.org** for more information, or you can visit our website at **Cru.org/Campus**. And when you arrive in September, keep an eye out at your campus activity fair...we may be there!

Going

to

college?

We'll be there.

College can be about more than just new ideas, fascinating people, and a million choices. It can also be the perfect time to stretch your faith, grow in your relationship with Jesus, and reach the world's next generation of leaders. And we can help.

Cru is an international, interdenominational student ministry that's been around for over fifty years and is currently found on over a thousand college campuses around the world. We understand the huge challenges and the enormous opportunities that await you in the next four years or so, and we'd like to help you make the most of them.

So check us out. There may already be a Cru movement on your campus, and if there isn't, we'll help you figure out how to start one up. Either way, we can't wait to meet you!

"When I first heard about Campus Crusade, I was excited about meeting other Christians who are on fire for God and who would help me along in my Christian walk. Now that I'm involved, I have met an awesome group of people, and I look forward to many years to come with them!"

"Crusade has given me the training and resources that I needed in order to be effective in making a difference here at Rutgers. I've also had opportunities to be used by God in ways and in places that I would never have imagined."

--Greg, Rutgers Univ.
